March 26, 2013

Julius Magos
Mojave, CA

NOTICE OF UNLICENSED OPERATION

Case Number: EB-FIELDWR-13-00007417
Document Number: W201332900004

The Los Angeles Office received information that NASA was receiving interference to their telemetry receive site from radio transmissions centering on the frequency of 2390 MHz in Mojave, CA. On February 21, 2013, agents from this office used direction-finding techniques to locate radio signals operating on this frequency emanating from a wireless AV transmitter used at your residence in Mojave, CA. When the power was disconnected from the transmitter, the interference to NASA telemetry operations ceased. The Commission's records show that no license was issued for operation of a transmitter at this location on 2390 MHz in Mojave, CA.

Radio stations must be licensed by the FCC pursuant to 47 U.S.C. § 301. You are hereby warned that operation of radio transmitting equipment without a valid radio station authorization constitutes a violation of the Federal laws cited above and could subject the operator of this illegal operation to severe penalties, including, but not limited to, substantial monetary forfeitures, *in rem* arrest action against the offending radio equipment, and criminal sanctions including imprisonment. (See 47 U.S.C. §§ 401, 501, 503 and 510.)

UNLICENSED OPERATION OF THIS RADIO STATION MUST BE DISCONTINUED IMMEDIATELY.

You have ten (10) days from the date of this notice to respond with any evidence that you have authority to operate granted by the FCC. Your response should be sent to the address in the letterhead and reference the listed case and document number. Under the Privacy Act of 1974, 5 U.S.C. § 552a(e)(3), we are informing you that the Commission's staff will use all relevant material information before it to determine what, if any, enforcement action is required to ensure your compliance with FCC Rules. This will include any information that you disclose in your reply.

You may contact this office if you have any questions.

Margaret M. Egler
Acting District Director
Los Angeles Office
Western Region
Enforcement Bureau
